

# CLOTS HERO OF THE MONTH

## DO YOU KNOW SOMEONE WHO IS A CLOTS HERO?

We are looking for nominations for CLOTS heroes who deserve a CLOTS medal (see picture). This could be someone who has made a particular contribution to the trial e.g. enrolling lots of patients; sorting out a tricky Doppler etc.

**Send us your nominations** by writing a one hundred word citation, accompanied by a photograph to [janie.hunter@ed.ac.uk](mailto:janie.hunter@ed.ac.uk). Successful nominations will receive a CLOTS medal in due course.

*(Please note these nominations may be published in future newsletters or on the CLOTS website.)*
